MAGICK ENTERPRISES
SECOND HAND DVD LIST 17: JUNE 2020

As a guide, second hand prices are generally 25% less than new price, provided the DVD is in good condition and complete with any additional props.

When ordering DVDs please state the name of the artist as it appears in this list, as DVDs are filed by artist. Postage is charged at cost. Ring or email for details.

Price when new appears in brackets (estimated for items no longer available), our second-hand prices are in **bold**.

Where gimmicks or other additional items are supplied this is noted following the publisher details. This list also includes CD-Roms, as described.

**Note:** In these pages it is impossible to list more than just basic information about the items we have for sale. We’d be happy to answer any queries if you need more information about condition, etc. But if you want to know more about the contents of individual DVDs we’d suggest that a brief excursion in the company of your favourite search engine (or Google) will answer most questions.

**Updates:** The latest version of this list in pdf format may be downloaded from our website at www.magick2go.com. Our famous second-hand book list is available there too!

Note that we are not just a major mail order magic dealer... In our Sheffield Studio you’ll find an enormous range of magic on permanent display. Our website lists only a fraction of our full range. And we’re easy to find a few minutes off M1 junction 33.

We have a regular session every Saturday. So why not call in and see us. Apart from our own excellent range of magic props and books, we regularly import from leading dealers world wide. We also have a wide range of second-hand tricks and books on display so you might pick up a bargain.

If you’d like to be kept informed of latest additions and new titles you can join our mailing list. Email russell@magick2go.com and you’ll receive approximately monthly updates plus details of any special offers.
