

MAGICK ENTERPRISES

Special Sales List 2: February 2021

To cut a long story short, Magick is moving. Our long-time home here in Sheffield is being 'redeveloped'. After much thought, we've decided that in our new home (wherever that may be, but still in the general Sheffield area) we'll concentrate on the bits of our business that interest me most: publishing, second-hand books, and bizarre/story-telling magic.

This means that we have a lot of general magic stock that we need to clear in the next few months before we move... which in turn means that there are lots of bargains to be had!

We've started listing everything, but that's going to take a while (and mean a very long list indeed). This is List 2. Most of the items listed are new, or as new, as some good quality second-hand or ex-display items are also listed. Clearly we don't have the space to give full details of the items; if you want to know more, Google could be your friend.

As a guide, most prices are 25% less than than the new price, although if you're ordering a number of items we're open to offers (email me for quantities available). New prices appear in brackets, our offer prices in bold. Postage is charged at cost, or we can arrange for you to collect (we're easy to find a few minutes off M1 junction 33). Ring or email for details.

Updates and additional lists: The latest version of these lists in pdf format may be downloaded from our website at www.magick2go.com. If you'd like to be kept informed of our latest news and new additions to our range you can join our mailing list. Email russell@magick2go.com and you'll receive approximately monthly updates plus details of any special offers.
